

# LOCKERS

## B e n c h locker accessories

While modern in appearance, Hadrian's benches lend functionality to any locker room environment. The hardwood laminate bench seats can be anchored directly to the floor, or for a moveable installation, rubber leveling glides are available. Bench pedestals can be powder coated in any of Hadrian's designer finishes to match the lockers.

## Specifications: Section 10500

### Part 1 - General

#### 1.01 **Qualifications**

Qualifications of alternative products will be evaluated only if they are submitted with supporting documents to show that they are equal to or better than these specification standards.

#### 1.02 **Chemical Safety**

All materials are completely asbestos free. The paint used shall be a powder coating completely free of all lead and chromate.

#### 1.03 **Warranty**

Hadrian's benches are warranted for a period of two years against defective parts and workmanship, excluding vandalism and improper installation. See Hadrian's full warranty statement for details.

### Part 2 - Products

#### 2.01 **Materials**

Bench seats shall be made of hardwood laminate and are 1-1/4" (32mm) thick by 9-1/2" (241mm) wide, by length (see next page for bench lengths). 24" (610mm) wide ADA benches are also available. Corners and edges are rounded and the seat has a clear lacquer finish.

Bench pedestals shall be 1/4" (6mm) x 2-1/2" (64mm) aluminum free from surface imperfections and contaminants that would be detrimental to the acceptance of a high grade hybrid epoxy polyester powder finish. Pedestals are painted to match locker door or frame color or desired Hadrian color. Pedestals are available with free-standing or stationary hardware (ADA benches use stationary hardware).
